

1 **Claims:**

- 2 1. A system for collectible items comprising:
- 3 a database;
- 4 an interactive portfolio;
- 5 a search engine;
- 6 inter-site member notification.
- 7 2. The system of claim 1 further comprising:
- 8 a rewards point system.
- 9 3. The system of claim 1 further comprising:
- 10 wireless capability.
- 11 4. The system of claim 1 wherein said collectible items are selected from the group
- 12 comprising sports cards, comics, coins, or stamps.
- 13 5. The system of claim 1 wherein said interactive portfolio provides a user with
- 14 current valuation of said collectible items.
- 15 6. The system of claim 1 further comprising real-time pricing.
- 16 7. The system of claim 1 further comprising:
- 17 a database for authenticating autographs.
- 18 8. The system of claim 1 further comprising:
- 19 a database consisting of a user's want list items.
- 20 9. The system of claim 1 wherein a user can place said collectible items for sale and
- 21 said system notifies said user when a buyer is interested.
- 22 10. The system of claim 1 further comprising:
- 23 a fantasy portfolio.

- 1 11. The system of claim 2 wherein said rewards point system allows a user to
2 accumulate points for entering items in a portfolio, purchasing items or navigating in said
3 system.
- 4 12. The system of claim 5 wherein said interactive portfolio provides said user with
5 systematic updates of values of said collectible items.
- 6 13. The system of claim 2 wherein said user can check status of rewards points
7 pending orders and past order history.
